

ARUMUGAM PILLAI SEETHAI AMMAL COLLEGE
TIRUPPATTUR-630211

LIST OF ARTICLES PUBLISHED

| No. | Name of the faculty member | Department | Name of the Article | Citation |
|-----|-----------------------------------------------------|------------|-----------------------------------------------------------------------------------------------|----------------------------------------------------------------------|
| 1 | Dr.S.Rajendiran | Economics | Watershed Development Practices | Kissan World, June 2008. |
| 2 | Dr.S.Rajendiran | Economics | BUDGET: A boon to the education sector | Southern Economist,15 th March, 2008. |
| 3 | Dr.S.Rajendiran | Economics | Sugar Industry in India: Problems and Prospects. | Kissan World , January 2006. |
| 4 | Dr.S.Rajendiran | Economics | Impact of Budget on Agriculture and Rural Development. | Kissan World, May, 2008. |
| 6 | Dr.R.Vellaichamy | Economics | Globalization and Challenges for small scale industries. | Southern Economist, 1 st Feb.,2006 |
| 7 | Dr.R.Vellaichamy | Economics | Regional Banks for Rural Development | Kissan World, Oct.2006 |
| 8 | Dr.V.S.A Subramanian | Maths | Heat And Mass Transfer Effects On Vertical Plates | International Journal Of Applied Maths Vol:3,June 2009 |
| 9 | Dr.V.S.A Subramanian & Muthu Kumarasamy | Maths | Exact Solution Of Flow Past An Accelerated Vertical Plates | International Journal Of Applied Mechanics Vol:4,June 2009 |
| 10 | V.S.A Subramanian & Muthu Kumarasamy | Maths | M H D Effects On Oscillating Vertical Plates In The Presence Of Chemical Reaction First Order | International Journal Of Eng. Science 2010 |
| 11 | Dr.V.S.A Subramanian , Muthu Kumarasamy &Sunder Raj | Maths | Mass Transfer Effects On Linearly Accelerated Vertical Plates With Heat Flex | International Journal Applied Mathematical Analysis Vol: 3 2008 |
| 12 | Dr.V.S.A Subramanian &,N. Sridharan & M D Elias | Maths | Total Reinforcement Number Of A Graph | A K C E International Journal Of Graphs And Compinatorics No: 2 2007 |

| | | | | |
|----|--------------------------------------------------------|-------|-----------------------------------------------------------------|----------------------------------------------------------------------------|
| 13 | Dr.V.S.A Subramanian ,N. Sridharan &M D Elias | Maths | Total Bondage Number Of A Graph | A K C E International Journal Of Graphs And Compinatorics No: 2 2007 |
| 14 | Dr.V.S.A Subramanian &N. Sridharan | Maths | A Note On Non Split Domination Number Of A Graph | International Journal Ofmanagement System Vol: 20 2004 |
| 15 | Dr.V.S.A Subramanian &N. Sridharan | Maths | Bounds On The Distance Two Domination Number Of A Graph | International Journal Of Graphs And Compinatorics 2002 |
| 16 | Dr.V.S.A Subramanian &N. Sridharan | Maths | CHARACTERISATION OF GRAPHSFOR WHICH $Cb(G) + Cb(G) = N-2$ | INTERNATIONAL JOURNAL OF MECHANICAL ENGINEERING , DHAKA,2001 |
